

PEPER TAN

THE MOUSE

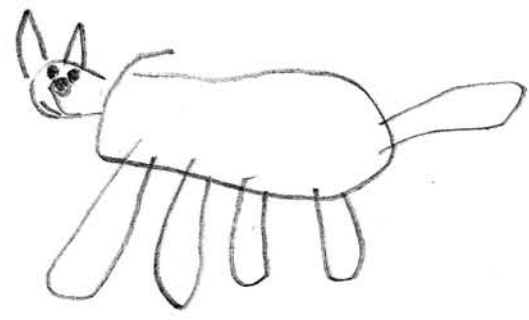

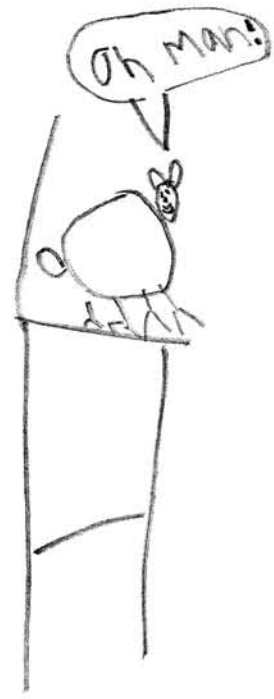

he lived under a bed
the size of a small
car

But there was a problem
when ever someone lied down
he got flatend like a pancake

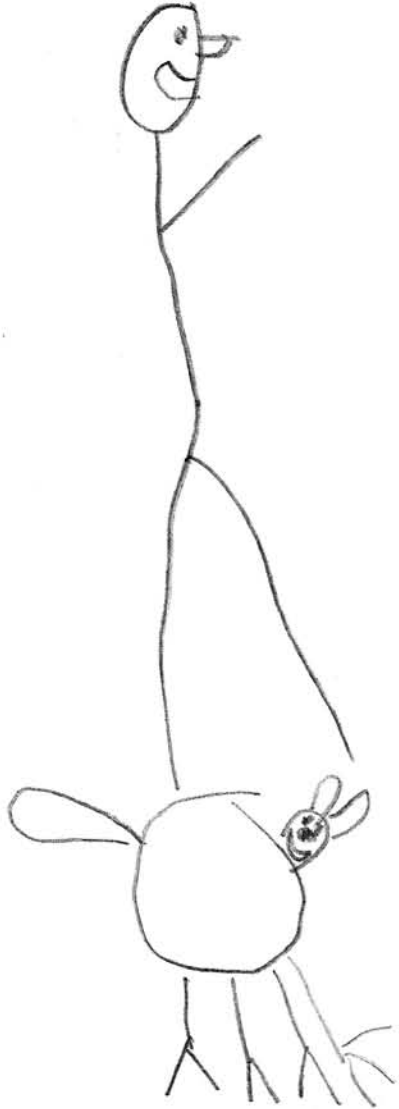

so he moved under a chair

but there was a problem
kitten was always hungry so
she chased him all the time

So he moved to a yard
But there
he got stepped on every minute
was a problem

So he moved to a
Book store and lived
HAPPILY for the rest of
his life because
there was a coffee shop next to
the book store the end
