

Teckno the Dolphin

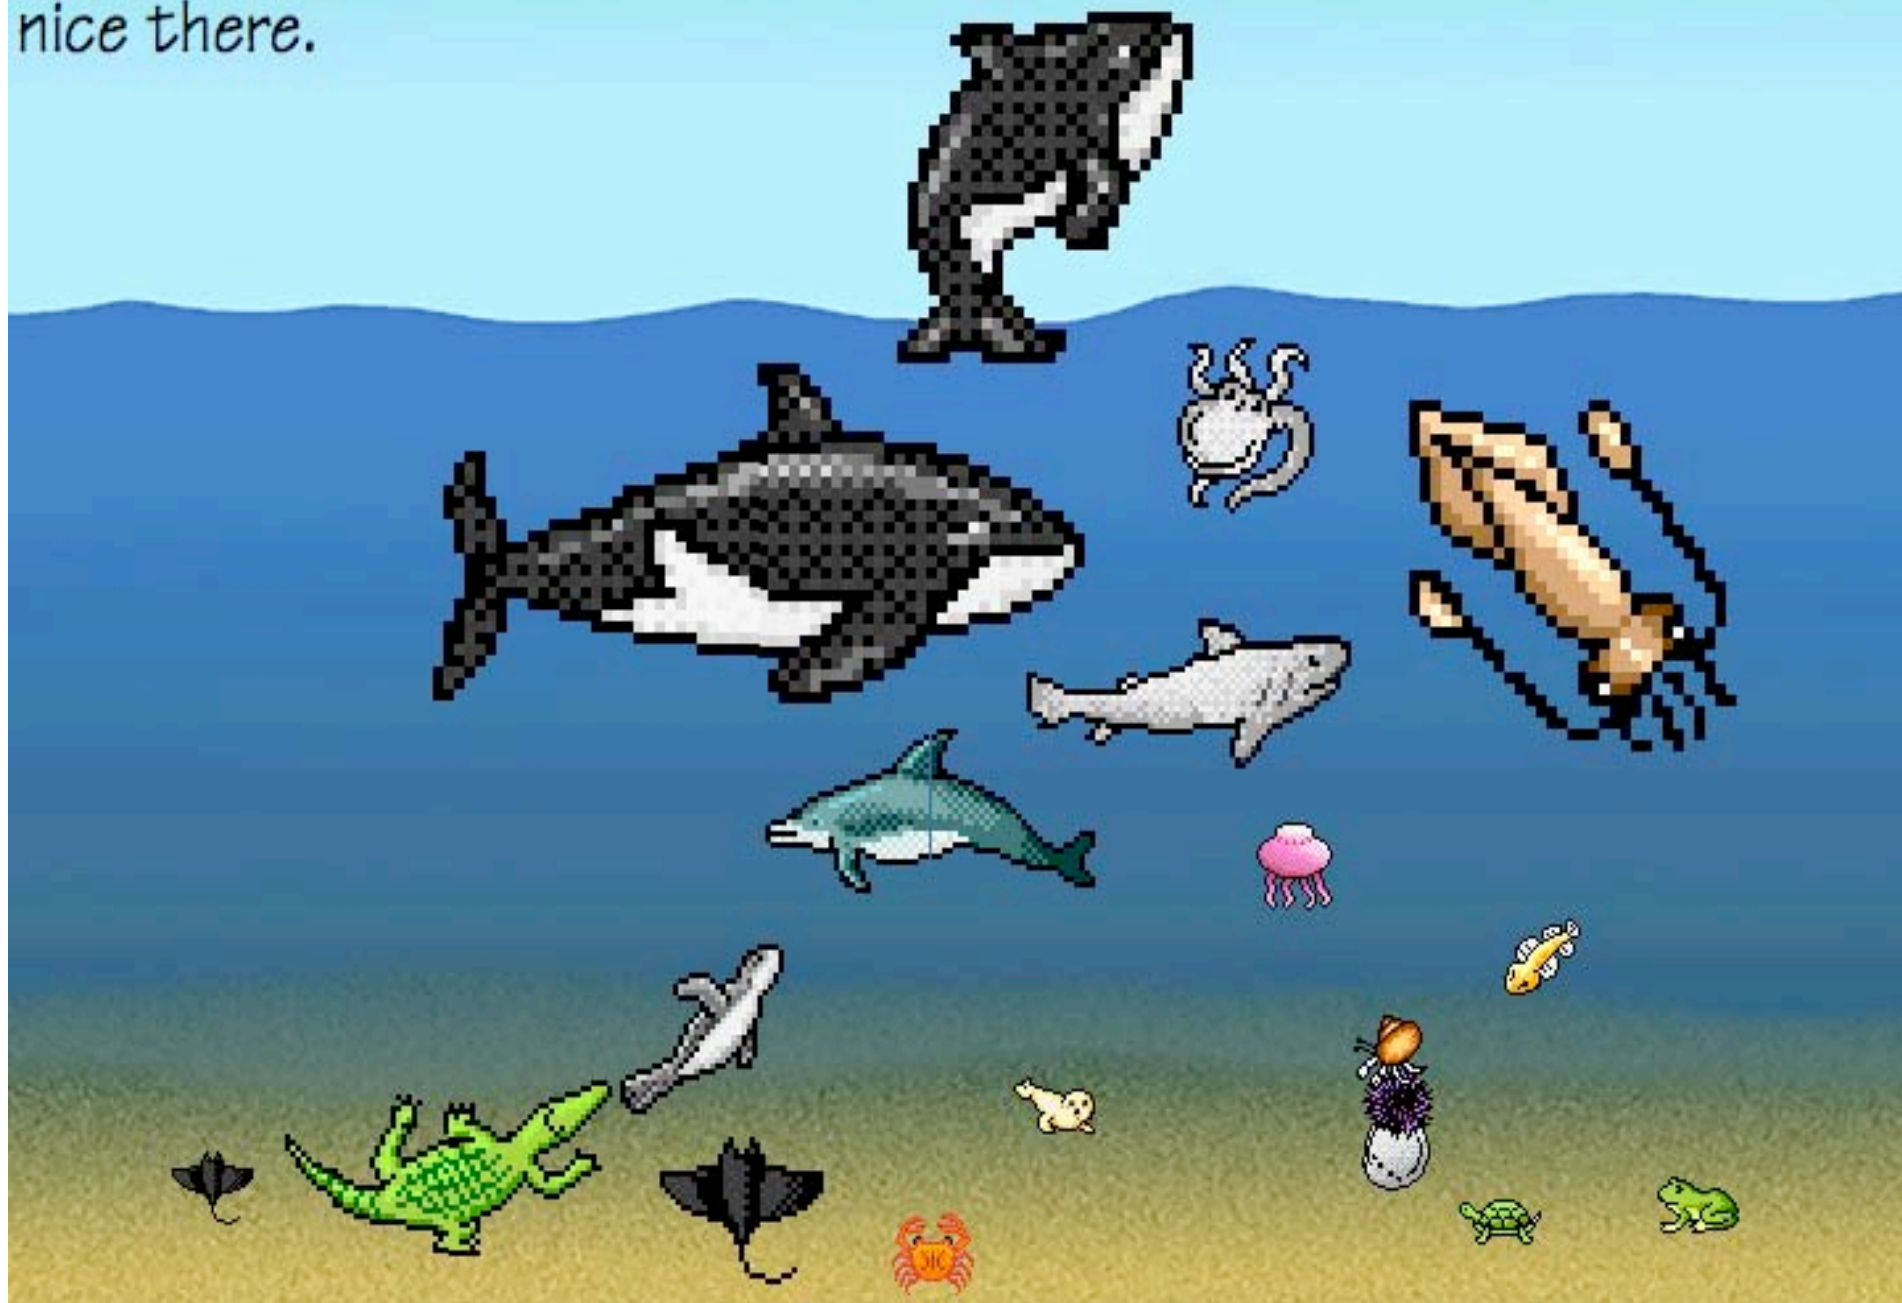

once upon a time there was a dolphin. his name was
teckno. he was 8 years old. he lived in alaska.

but he wanted an adventure. so he decided to go on a trip.
so he went to vancouver.

then he went to france. and stayed there for a while. it was nice there.

but on his way back he got lost.

but in a day or two he found his way home.
